You are invited to...

K-5 Code.org Workshop on How to Teach Coding in Elementary School. Find out how to infuse the K-5 Code.org curriculum into your school week, with as little as 1 hour per week!

Join a group of motivated teachers, and learn key lessons that teach kids computational thinking with a fun, easy to use curriculum.

When: Saturday, Oct. 14th, from 8am to 1pm

Where: FIU's Engineering Center, room EC 2710
10555 West Flagler Street, Miami, Fl. 33174
Free pastelitos for breakfast!

Register at: <https://studio.code.org/pd/workshops/2881/enroll>
